Let smile meet a smile

A centre working for the betterment of persons with special needs

REPORT JANUARY 2021

- The New Year brought in some good and some bad news to the Hanshi Khushi family.
- The regular online classes were continued.
- Homework was given via WhatsApp.
- Regular parent counselling was carried out by respective teachers.
- Children also started responding to Video calls
- Parents who did not have smart phones were given money to buy phones
- Sourav a hearing-impaired boy lived with his maternal grandparents and uncle. In the month, January, he lost both his grandparents. His Uncle too lost his job. The money (RNCT) gave them a new lease of life.
- Subol along with his widowed sister continued with our Ground Masala Project. The whole masalas for the January were provided by RNCT along with a mixer. Both of them are doing a good job. End products are checked by us before sending them.
