A Centre for individuals with special needs

HANSHI KHUSHI is an organization working for the betterment of individuals with special needs. It has been functioning for the past ten years. It began its journey with one such individual and at present serving 34 such individuals. To help us serve them better we always require various kinds of financial help as most of our children come from financially backward families. We try and make these individuals an irreplaceable member of the society.

Rajni Nijhawan Charitable Trust has always lend a helping hand towards Hanshi Khushi to help them cross the hurdles and make.

It will be a pleasure to welcome Mr I.K.Howard to join the Governing Body of Hanshi Khushi. His presence and knowledge will help us achieve many more goals.

On 18th September 2021 the Governing Body of Hanshi Khushi officially inducted Mr Howard.
