From April'21, we plan to resume sessions at the Centre gradually maintaining the COVID Protocol.

Those children who are at an easy accessible distance from the centre and do not have SMART Phones would be given priority to access services at the centre.

Virtual sessions would continue till a time , depending on the situation and State COVID Update.

Group activities would also be conducted accordingly .

We are grateful to Rajni Nijhawan Charitable Trust for their endless support in our work with deaf children and their families at Malancha.
